During the last week of 2011, contributions were recieved through ActBlue from individuals whose addresses were outside the United States. Emails were sent to each individual in an effort to determine if they are United States citizens or legal resident aliens. We were unable to determine their status before a check was issued from ActBlue to the Campaign on 12/31/2011. Upon hearing back from several individuals, and recieving no response from several others, we contacted ActBlue and requested that refunds be made to the individuals who either were not eligible to give or did not respond. As a result, refunds for \$130 were made during the first week of 2012 of contributions that are reported on the 4th quarter 2011 FEC Form 3.
